<small>These items are controlled by the US Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred or otherwise disposed of to any other country or to any other person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations. These commodities, technology or software were exported from the United States, Singapore, or EU in accordance with the applicable Export Regulations. Diversion contrary to Singapore, U.S. or EU law is prohibited. Hitachi Vantara LLC and its distributors worldwide, are dedicated to complying with international law concerning the sale of products that may be used in the design, development, production, stockpiling or use of nuclear, chemical or biological weapons or missile delivery systems for such weapons. This compliance also prohibits the transfer or re-export of Hitachi Vantara LLC products to any person or company worldwide, that might be used the product to proliferate these weapons of mass destruction, or for specific end use that is directly or indirectly engaged in conventional weapons or any other military activities. Products will not be transferred to or accessed by any of the Embargoed countries such as Iran, Cuba, Syria, North Korea, the Donetsk People's Republic (DNR), the Luhansk People's Republic (LNR) and the Crimea Region of Ukraine.</small>
