Timeslot booking at DSV Solutions Belgium

Creating a carrier account

Please go to following link: www.cargoclix.com/dsv-belgium

The screenshot shows a dark blue web page for 'DSV SOLUTIONS BELGIUM'. At the top left is the Cargoclix logo (a stylized 'C' made of colored triangles) and at the top right are links for 'Legal Notice' and language selection (German, English, French, Dutch). The main heading is 'Login Cargoclix timeslot management'. Below it is the 'DSV SOLUTIONS BELGIUM' logo. The page is divided into two sections: one for existing users ('You already have an activated user account...') with a 'Apply now' button, and one for new users ('You do not have an account...') with a 'Create a new account now!' button. A large orange arrow points from the 'Create a new account' section towards a call-to-action button labeled 'Click here to create your new account'. At the bottom left is a 'Login' button.

You already have an activated user account for Cargoclix timeslot management and need an inscription for the above mentioned Cargo Market as well? Then just login now by entering username and password:

Booking overview

The screenshot shows a software interface for managing bookings. At the top, there's a navigation bar with links for 'global logistics exchange', 'Shipper', 'Carrier', 'My Cargoclix', 'Help', and 'Legal Notice'. Below the navigation bar, there are three tabs: 'Schedule' (selected), 'Bookings' (highlighted in blue), and 'Bookings (Beta)'. Underneath the tabs, there are several search and export options: 'Search', 'Autorefresh', 'Show customization window', 'Save View', 'Export: PDF XLS RTF'. The main content area displays a table of bookings. The table has columns for ID, Details, Order number, Date, Created at, Start time, Length, Truck plate, Name of the carrier, and Unbound Field_Cargo Market.Nar. There are two rows of data:

ID	Details	Order number	Date	Created at	Start time	Length	Truck plate	Name of the carrier	Unbound Field_Cargo Market.Nar

Cargoclix Help: Carrier

[Index](#)

Book a timeslot: → [Watch a video tutorial on the subject](#)

In order to book a timeslot, click on „Carrier“ and select the CargoMarket and Location of the Shipper, where you want to book a timeslot. Now select the date you want to book on. Gray slots are not bookable, gray striped slots are already booked by another carrier, and white slots are bookable. Now click on your preferred white slot to mark it with a red frame. Click on the "Pre-book" button, which you will find to the right side of the calendar/datepicker. The booking-window is now open an you can proceed with your booking in it.

Save a profile for bookings: → [Watch a video tutorial on the subject](#)

As soon as you have entered all information in the booking window, you can go ahead and save the entered information as a profile. Just enter a name for this profile in the booking window. Now, when you save and confirm your booking, the profile will be automatically saved along. A possible name for a profile could be for example the truck plate or the name of the driver, etc.

Book a timeslot using a saved profile: → [Watch a video tutorial on the subject](#)

Mark your preferred free slot and click on „Pre-book“, next to the calendar/datepicker. The booking window has now opened. Now select the preferred profile from the drop-down on the right. The information saved with the profile will be automatically filled out in the booking window. If you wish, you could also change the pre-filled information and go ahead to save the booking.

Move a booked timeslot: → [Watch a video tutorial on the subject](#)

Click on a slot you have already booked to mark it with a red frame. Now cut it with the scissors button, which you will find to the right side of the calendar/datepicker. Now mark the free slot to move the booking to and click on "Paste", also on the right side of the calendar.

Extend a booked timeslot: → [Watch a video tutorial on the subject](#)

If the shipper has allowed it, a timeslot could be extended or shortened using the arrows to the left or right inside the slot. A mouse-over makes the arrows visible.

Delete a booked timeslot:

Click on the booking you want to delete to mark it with a red frame. Now click on the "Cancel booking " button to the right of the calender.

Show a list of my booked timeslots: → [Watch a video tutorial on the subject](#)

Click the „Bookings“ tab in the lower navigation line. The tab shows you a table with of all your bookings for the current day. You can narrow the results using the "Search" link in the upper left corner. A click on the colored status-point opens the booking window and shows you the current status of the particular booking. A click on the magnifier also opens the booking window and shows you the booking details.

Booking status:

The tab „Process details“ in the booking window shows you the steps of the timeslot process which were set by the shipper. (e.g. arrived at factory, truck at ramp, left ramp, truck left factory, etc.).

Blue point means: the process hasn't started yet

Orange point means: the process has started

Green point means: the process is finished

Red point means: delay, process behind schedule

Terms & conditions

There are **NO** fees applicable for the carrier
