Powder
January 13, 2022

New Format

Line 1: Lot #YYDDD (Julian Date), Product ID, Time Stamp

Line 2: Manufacture Date, Expiration Date, Line Identification

Example:

Lot # 19017 MPC80 09:35
Prod 01/17/19 Exp 01/15/21 L1

Shipping Documents may show a letter and number that appears after the lot number (ex. 18350A1), this indicates the order the product was packaged in the run. For example, if it says A1 after the lot number it means that that's the first pallet that was packaged of that lot.
