This Waybill is deemed to be a contract of carriage as defined in Article 1 (b) of the Hague Rules and Hague Visby Rules, but it is not a document of title to the Goods. The Contract evidenced by this Waybill is subject to the Carrier's applicable tariff and standard Bill of Lading terms and conditions, copies of which are available on request, incorporated in which the following **LAW AND JURISDICTION CLAUSE**.

(1) Law of Application

The terms and conditions of this Bill of Lading shall be governed by and construed in accordance with English law. Insofar as anything has not been dealt with by the terms and conditions of this Bill of Lading, English Law shall apply.

(2) Jurisdiction

All actions arising under this Bill of Lading shall be brought before the High Court of Justice in London to the exclusion of the jurisdiction of the courts of any other place, unless the Carrier appeals to another jurisdiction or voluntarily submits himself thereto.

Except for live animals, and Goods which are stated herein to be carried on deck, and are so carried, these terms and conditions are warranted, in respect of the sea portion of the Carriage, to apply the Hague Rules or the Hague Visby Rules, whichever would have been applicable if the carrier had issued a Bill of Lading instead of this Waybill.

Unless instructed to the contrary by the Shipper, the Carrier will subject to the aforesaid terms and conditions, process cargo claims with the Consignee named in this Waybill. Such settlement, if any, shall be a complete discharge of the Carrier's liability to the Shipper. The Shipper accepts the said standard conditions on his own behalf, on behalf of the Consignee and the owner of the Goods and warrants that he has authority to do so.
