Non Dual-Use We declar the bar

We declare that no export licenses for dual-use goods are required for any of our products noted within this Commercial invoice. The products within this document comply with their conception and design, and their circulation meets the basic protection requirements of the Non-Dual-Use Directive. In the event of a change to the product not approved by us, this declaration shall lose its validity. The goods to be exported are not listed on any of the following export lists: European Union: Annex I + II of Council Regulation (EC) No 428/2009 of 5 May 2009 & UK Export Control Order 2008 (as amended).
